

Melcrest *Auto Express*

Here is a check list for **YOU** to carry out for that additional piece of mind that everything will be OK!

- Remove personal items from your car
- Remove any perishables, including foods etc...
- Remove dangerous items from your vehicle such as petrol tins, paint tins, flammables or chemicals etc...
- Remove any detachable items such as vehicle protectors or external aerials
- Ensure there is enough fuel in the vehicle for the receiver (fuel light is not ON)
- Washing your car prior to departure will allow any defects to be seen clearly on inspection
- Ensure payment methods have been confirmed to minimize delay
- Ensure you leave yourself enough travel time to arrive at departure and pick up points
- Make a list of any additional / special instructions etc... For Melcrest staff to take note of. i.e: how to start / Disarm-immobilize alarm
- Minimize keys. We do not need your house / garage remote etc...
